Practice Guide
Exploring challenges in enabling children to show their competence and confidence
Task: Look at & Reflect on the Images

How did these images make you feel?

What words would you use to describe the children and their experiences in these photos?

Could you see children in your setting partaking in these experiences?

If yes, why? If no, why not?

Discussion in pairs (10 mins); Whole group discussion (10 mins)
Task: Reflect on the Images
